REAL ESTATE AND PROPERTY DISCUSSION

St. Mary is fortunate that we have many resources that help us fulfill the mission of our parish. Our resources include the physical plant: a beautiful church, well-maintained school buildings at two locations for the benefit of both the religious education program and the School of St. Mary, and the parish center which is in use day and night for parish groups and programs. And, I speak for all the priests who have served here that we are grateful for the rectory that is our home.

Your weekly support allows us to maintain our properties very well so that we have a good environment for fulfilling the mission of our parish. You may have noticed that in the past two weeks the cracks in the parking lot have been sealed, there are some new concrete slabs in front of the Illinois Road entrance, and the wooden doors of the church have been stripped and varnished. Thank you to the staff members who help keep St. Mary in good repair especially our custodians: Bill Gorczynski, Les Adamiec and John Kowalski. Thanks also to Rebecca Quackenbush, our business manager, for her guidance on multiple projects each month.

Recently I invited several parishioners to help review our parish needs for space and how our parish buildings and facilities meet those needs. We also will look at some challenges, such as the lack of parking. The goal of the discussion is to identify any problems we have with our properties, consider some solutions that may be available and make a plan for the future. My hope is that the funds generated from our **To Teach Who Christ Is** campaign this year will help St. Mary's with our needs now and in the coming years.

BECOMING CATHOLIC

St. Mary's invites those who are considering becoming Catholic to invest themselves in a process called the Rite of Christian Initiation of Adults (RCIA). This process is a blend of prayer, reading, and conversations with committed Catholics as well as other people who are seekers that are coming to faith. The RCIA program begins here October 7, with Father Matthew Kowalski as the spiritual director. If you are interested in learning more about RCIA, please contact Father Matthew at: mkowalski@churchofstmary.org.

LABOR DAY

The parish offices will be closed on Monday, September 2, in observance of Labor Day. There will be only one Mass offered in church at 8:00am. Please pray for a peaceful and safe Labor Day holiday for all.

In our Lord,

Father Mike McGovern

Why Should My Children Attend Religious Education Classes?

Over the next few weeks we will take a look at different grade levels and communicate class information with you. This week we will focus on the Noah's Ark Program. We hope this will provide you with knowledge on how *vital* Religious Education is to the faith formation of your children.

What does the Religious Education Curriculum cover?

All grade levels have three main objectives. First is faith formation, second is to develop an understanding of the doctrine and tradition of the Church, and third is the development of skills needed to fully participate in the life of the Christian community.

Noah's Ark

Our youngest students attend Religious Education classes on Sunday mornings in our Noah's Ark Program. Preschool and Kindergarten students begin learning about traditional prayers and making the Sign of the Cross correctly. These young children hear Scripture stories and learn how to apply them to their daily lives. They are also introduced to Church feasts and seasons. First graders are engaged in the initial year of sacramental preparation for Reconciliation and First Communion in second grade. The first grade curriculum integrates Scripture, prayer and worship experiences, as well as learning activities to teach doctrine and introduce students to the Holy Trinity.

Not Catholic? Would you like to know more?
St. Mary's RCIA Program Begins this October

God, our Father, created a big and loving family in His Church. Jesus prays that we are one (John 17:21-23), as He and His Father in heaven are one. As brothers and sisters in Christ, we wish to invite you to learn more about our family faith: a Church filled with beauty, miracles, heroes, history and love.

St. Mary's RCIA program is a way to begin that journey of faith and investigation.

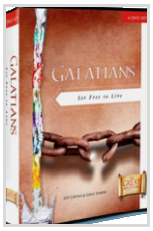
This program is for baptized Christians (candidates) and the unbaptized (catechumens). Participating in the initial inquiry stage of the process does not mean an individual will definitively decide to become Catholic. The first few weeks allow one to pursue an inquiry into the Catholic faith, followed by graduating levels of commitment, if one so chooses, to enter more fully into the process of initiation (or full communion with the Catholic Church). The process culminates at the Easter Vigil when catechumens and candidates are fully initiated and welcomed in to the community of faith.

When does it begin? **Fall session begins October 7.**

Whether you've been going to Mass with your spouse for many years, or you're a beginner, you are invited to explore becoming a Catholic and part of this local Catholic community of faith.

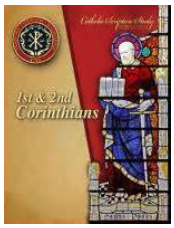
To inquire or register for the RCIA program, please contact Fr. Matthew Kowalski at **847-234-0205** or **mkowalski@churchofstmary.org**.

Bible Study 2013/2014



Galatians: Set Free to Live

Paul's Letter to the Galatians speaks directly to the heart of Christians and addresses the most important question we can ask: "What must we do to be saved?" This fascinating letter reveals the merciful love that God the Father has for us, his children. It speaks of the extraordinary gift of salvation that Jesus has won for us, and it explains how we can unite ourselves to Christ's redeeming sacrifice through faith and love. Galatians is a study that will reignite your love for God as you learn of the astonishing love God has for you.



2nd Corinthians

In his Letters to the Corinthians, Paul addresses ongoing problems including dissension, immorality, lawsuits, liturgical abuses and the tendency to fall prey to "false teachers." Paul tackles each of these problems with his typical spiritual zeal strengthening their faith and commitment to build up the Body of Christ.

Two thousand years later, as we struggle with much of the same problems, Paul's words of wisdom are both pertinent and valuable!

Moderation

© iStockphoto.com/Mlenny

Moderation helps us find balance. It is the virtue that allows us to keep a good thing from becoming too much of a good thing, whether that's too much food, drink, work, shopping, or the need to be popular. Lack of moderation affects our children in numerous ways: our behaviors set a bad example, we become less available to them, and shame can lead to secrecy and withdrawal from the family. Moderation helps us honestly recognize where we are out of balance and enables us to admit that to trustworthy and helpful people. It also offers us a chance to create new life-giving habits to replace the ones that cause problems. We don't do this alone. Moderation flows from the grace of God and the support of good companions. —*Tom McGrath*
